

• CAST STOPS dead on the whistle at the end of Act II of R. U. R.

Fantastic Feature Plays Futurist's Fancy Folly

• HOW ONE THINKER pictures the future of humanity upon the earth will be shown at Lisner Auditorium tomorrow and Saturday nights, when Cue and Curtain presents "R.U.R.," Karel Capek's fantastic melodrama of the future. The curtain will rise at 8:40 p.m.

As Capek visualizes the destiny of man, the robots manufactured by Rossum's gigantic plant revolt and destroy their human makers. These robots are not, as popularly conceived, mechanical men. Except for a blankness of expression they look just like men. They talk and respond to stimuli exactly as humans do, but they have no emotions.

Virtually dominated by his impressionistic mechanical environment, Harry Domin, the general manager of Rossum's Universal Robots, the manufacturing firm from which the play takes its name, is played by John McClure.

Jane Drew, with the leading female role of Helena Glory, and Paul Sades as Primus, portray robots who represent the supreme achievements of the plant, in that they are so perfectly developed that they become the progenitors of a new race, the race of robots which replaces that of mortals.

Bob McBride plays Radium, the robot who, like the ancient Roman gladiator Spartacus, leads the revolt of the slaves against their name.

Doyle Co-Authors Spanish Records

• HENRY GRATTAN Doyle, Dean of Columbian College, is the co-author of a course in New-World Spanish on records, just released by RCA Victor. The records were written by Dean Doyle and Francisco Aguilera, assistant director of the Hispanic Foundation of the Library of Congress and former instructor in Spanish at Yale University.

The course consists of a complete textbook and two albums containing 20 double-faced 10-inch records. They were planned to be used for self-instruction, for classroom teaching, and for home preparation and practice.

Dean Doyle was formerly the director of the Washington Inter-American Training Center and editor of Hispania.

Pharmacy School Publishes New Brochure on Profession

• THE MAN BEHIND the counter in the corner drug store, what he represents, and his profession in general is the subject of the new brochure published last week by the School of Pharmacy of the University.

The buff-and-blue pamphlet has as its aim to acquaint the general public and all who are undecided about their future career with the opportunities that pharmacy offers. Dean William Paul Briggs of the School of Pharmacy said that conservative estimates indicate that at least 8,000 vacancies exist in the various fields of pharmacy at the present time.

One of the aims of the publication is to show the public that the pharmacist is an indispensable link in the general program of health protection, not just a sales clerk. Too many people do not realize that he is the public's adviser on a multitude of health problems, as well as the instructor and protector of the public concerning the

(See PHARMACY, Page 6)

Harmon Lists New Members On Probation

• DR. ROBERT H. Harmon, director of the Glee Club, last week, after the final voice-placing tests, announced his list of probational women Glee Club members. He has stated that this year the Glee Club has the best array of girls' voices that it has had in some time.

Sixty-six girls have been put on the probational list. The club also has sixty-one of last year's women members.

On the first sopranos probational list are: Joan Beattie, Roberta Bryant, Ann Coffman, Katherine Coleman, Nancy Cuno, Betty Jean Ferris, Maxine Fritts, Marie Jackson, Barbara Murphy, Grace Ogden, Virginia Payne, Betty Jane Powell, and Betty Rowe.

Placed on the probational list, new second sopranos are Barbara Borror, Martha Ann Clark, Phyllis Crockett, Rose Cordon, Rea Dalton, Mary Davis, Dorothy Dowling, Audrey Harris, Nancy Henderson, Kay Holden, Harriet Howell, Catherine Luffelwhite, Marjorie McMullen, Fern Miller, Mary Alice Novinger, Ruth Thompson, and Kay Welsh.

First alto section the names of Margaret Babcock, Louise Benson, Lolly Bing, Ann Brandenburger, Janet Casselberry, Betty Harris, Olga Havell, Jeanne Holman, Carol Howe, Joan Hyatt, Barbara Martin, Doris Nahm, Lois Pressley, Betty Quick, Rosemary Sexton, Pamela Smith, and Emily Stacy.

Second alto section: Marian Crawford, Sue Dearborn, Jane Elliot, Jocelyn Freer, Rosemary Glenn, Bryna Jacobs, Lois Kahler, Gwendolyn Loomis, Nancy Marsh, Maisie Oliver, Emma Pavia, Frances Pickett, Anne Simms, and Anita Stewart.

The men's group of the Glee Club meets every Tuesday and Thursday at 8 p.m. All interested men students are invited to attend.

Council Postpones

• ACTIVITIES COUNCIL is forced to postpone its assembly scheduled for November 14, because its guest speaker, Drew Pearson, notable columnist, has been unexpectedly called out of town.

Representatives of all interested organizations are urged to come to the next meeting of the Activities Council, Friday, November 9, at 5 p.m. in Columbian House, Polly Peterson said.

Committee's Player List Gets OK

Fourteen Eligible From Original List, Myers Discloses

• FOURTEEN MEN of the eighteen whose names were submitted by the Sports Committee as prospective members of a 1945 University Basketball team have been found eligible for inter-collegiate competition it was disclosed by Athletic Director William Myers this week.

Unofficial pre-season "work-outs" began last Monday night when twenty men turned out at the Gymnasium for practice. The preliminary practice is continuing throughout the week for the purpose of selecting squad candidates. Anne Peterson, president of the Student Council, and Joe Holtzman, Council comptroller, will meet with President Cloyd Heck Marvin this week to discuss the sports situation in view of the recent confirmation of eligible players and Dr. Marvin's statement in "The Evening Star" to the effect that the University was reluctant to embark on a sports program without adequate assurance that it would meet with reasonable success.

Should the administration give the green light to basketball this fall, immediate plans would be undertaken to arrange a schedule with other Southern Conference teams and the practices being held this week would become official, according to Director Myers. Much (See COMMITTEES, Page 3)

Numerous Topics Claim Council's Full Attention

• CLOSED NIGHTS, future plans for the return of a sports campaign, and approval of a drive for Dutch relief were main topics of discussion at the Student Council meeting Tuesday, October 31.

The Council, at the suggestion of Phyllis Sherman, program director, voted to limit closed nights to the hour when the function would begin. This would permit other organizations to hold meetings before the scheduled "closed" affair.

Faced with the problem of the eligibility of the basketball players, Joe Holtzman, comptroller, suggested that the Council take action by publishing the current list of players and asking these men to secure their point average from the registrar's office.

Since the Student Council voted to combine all charitable drives this year, Polly Peterson, activities director, suggested that the Dutch Relief Drive be sponsored by COGS or by the Big Sisters.

Juanita Hall presented the question as to whether the Student Council should sponsor informal gatherings such as juke-box get-togethers, every Friday evening for the benefit of night students. This brought up the question of why the Student Club wasn't open more often for student use, and the question of irregularly high prices of the Student Club's concession.

Comptroller Holtzman reported that the financial returns for the

(See NUMEROUS, Page 5)

Polls Open Monday Campaigns Hit Stride This Week

FELICIA MILLER

Cherry Tree Subscription Drive Begins

• WITH A GOAL of 1000 copies, the subscription drive for the 1946 Cherry Tree is now under way, having begun last Monday and continuing through November 14, Felicia Miller, editor, stated yesterday. Subscriptions may be made at the booth in the Student Club from 12 to 2 p.m. and 5 to 7 p.m. or through representatives of fraternities and sororities.

A cash award of \$10 will be made to the individual selling the largest number of subscriptions and cups will be given to the fraternity and sorority obtaining the greatest number of orders. Awards will be made at the Student Council Dance on November 16.

Only the number of books subscribed for will be printed and students therefore are urged to subscribe while the drive is in process. Last year the staff could not supply all requests for yearbooks because many students failed to place orders during the drive.

Editor Miller has announced that the 1946 book will be 28 pages larger than last year's. The Cherry Tree, beauty queen, who will be chosen by Earl Carroll, will be kept secret until the book comes out. Plans are being made to circulate the Cherry Tree early in May. Padded covers will be featured, individual pictures of all four classes will be included, and more color and art work is being planned.

Hot Races Ahead For 31 Candidates In Class Elections

• CAMPAIGNING for class elections reaches its peak this week with more names added to the election lists due to an extension of the deadline. Posters in the Student Club and in various buildings on the campus carry the faces of many of the candidates, some familiar and some unfamiliar.

Freshman class candidates are Scotty Brawner, Walt Foley, John P. McClure, Diana Roosevelt and Howard Tickton for class president. Running for vice-president are Jim Hamilton, Calva (Keppe), Kephart and Jane Pancoast. Carol Cohen, Norma Foust, Roberta Lush and Ione Masterson are competing for secretary-treasurer.

Jean Ferguson and Dick Generelly are the competitors for the Sophomore class president, with Nancy Hanck, Eddie Wadden running for vice-president. Frances Cogswell, Barbara Hanby, and Eugenie Lee are the candidates for secretary-treasurer.

The list for candidates of the Junior class has been lengthened. Jean "Jaghead" Jones and Larry Strickland are the two candidates for president. Candidates for vice-president are Vivian Burke and Bill Ham. Lois Lord and Lorraine Seegrist compete for secretary-treasurer.

Among the Senior class contenders for president are Bill Long and Betty Starkey. Molly Edwards, Joe Holtzman, and Dolores Lancaster are the candidates for vice-president. The only candidates for sec-

(See CAMPAIGNS, Page 6)

Advocate Bacon Selects Committee

• APPOINTMENT of the election committee of the Student Council for the entire year has been announced by Anne Peterson, president.

Jim Bacon, as Student Advocate, will act as chairman of the committee. Other members are Grail Dawson, Herb Halberstadt, Cynthia Phillips and Anne Thaler. Eddie Wadden was also appointed but has withdrawn to become a class officer candidate. A replacement has not yet been made.

Student Council to Present Inaugural Dance For Officers

Photo by Allan N. Rubenstein
DOROTHY SNYDER

• AT THE INAUGURAL dance to be held Friday, November 16, in the Student Club, from 9 to 12, newly elected class officers will present "soap-box" speeches, on what they plan to do in their administration. Dot Snyder, Social Chairman announced last night.

This dance is the first in a series sponsored by the Student Council for the benefit of night school students. Students should dress informally and are invited stag or drag with no admission charges. Dance music will be provided by the Student Club juke box.

To climax the evening, Cherry Tree representatives will award cups to the fraternity and sorority obtaining the largest aggregate number of subscriptions, and a cash award will be made to the individual responsible for gaining the most subscriptions.

Possessors of last year's loving cups are Kappa Kappa Gamma and Sigma Chi.

All letters must bear the name and address of the writer, and should not be interpreted to represent the opinions or policy of The Hatchet.

Vol. 42, No. 7 Thursday, November 8, 1945

No Parking

• WITH AN INCREASED ENROLLMENT and overcrowded class rooms, there is a definite need for facilities to provide for the care and protection of student's personal belongings. As winter approaches, the problem is even more acute.

For years students have been at a loss to know what to do with hats, coats, and books which must be carried from class to class and which are often lost in the course of a day's travels. True, there are racks in the Student Club and 20-odd lockers in the basement of Columbian House. This is hardly adequate for the 7,000 students registered.

In most class rooms there is an occasional empty chair which immediately becomes the catch-all for half the students. The remainder must either put their books and coats on the floor, try to crowd everything in the small space under the chairs, or balance clumsy articles on their laps. It is quite a feat to take legible, intelligent notes, listen to the lecture, and balance the "Aendi," "The History of American Civilization," a "Casebook of Commercial Law," a camel's hair coat, and an alligator purse—all at the same time.

The Student Club at noon is a veritable obstacle course of umbrellas, books, notebooks, chairs and outstretched feet. All available space—the piano, juke-box, Hatchet table, Cherry Tree booth, chairs and tables—becomes a parking place for personal belongings. Club meetings experience the same problems—where to park everything and still have room for members!

Fraternity men and women and the girls in Strong and Staughton Halls have their houses, apartments, or dorm rooms in which to keep their personal effects. However, most of the students, who are independents and living off-campus, have no place to leave their things during the day.

A simple solution would be the installation of lockers. They could be built or installed in a room especially for that purpose—as a basement room in Government Building D, or where the Student Club is now located. No doubt there will be locker rooms in the proposed Student Union Building, but that does not help the students of the next three years. Since there are so few resident students at the University, it is believed that a majority, if not all, would be only too willing to pay a small fee per month to enjoy this privilege and convenience and to defray the installation and maintenance costs.

The Student Council and class officers could devote part of their untiring energy toward this worthwhile cause. With the cooperation of the administration, something could and should be done!

A Blue Note

• MONOPOLIES ARE ALLOWED in the field of public utilities; franchises are given to street cars and railroads; concessions are granted by hotels and department stores. But why does the University grant concessions?

The question rose again when discussion started at the Student Council meeting last week on the Buff 'n' Blue scheduled for Nov. 30. There had to be a place to hold the informal. The gym was out from the start because of the floor. The only place on campus for the dry night club was the Student Club. Then came the blow. For using the club for three hours—the charge would be \$35.

While the Student Council does not strive to make profits, it does expect to break even. This would be impossible under the present set-up. Looking at the expenses—\$35 for rent, \$75 for an orchestra, \$10 for tickets and advertising, and \$20 for federal tax—the total, \$140. For an informal dance, the maximum admission can only be \$1.20, and even that is exorbitant for such an affair. Because of the limited space available when tables are used, the Club can accommodate only 100 couples. The intake, therefore, is \$120, and the Council goes in the red. On one dance a loss might be understandable, but not on four!

It was natural that the question would evolve—is the \$35 rental reasonable? The rental must pay for janitors and waiters (which should be under \$10 for only three hours' work), and buying ice, coke syrup and cups (which also runs around \$10). The total expenses for the evening, subtracted from the rental, leaves a net profit of \$15. When the income from the sale of cokes are considered, the total cost of the evening to the Student Club should not be more than \$10 to \$15—less than half of the \$35 asked!

It does seem that for student affairs, whether for the Council or for other organizations, there should be only a nominal charge. It does seem that the Student Club should be permanently available when there is no other place on campus to hold an informal dance. It does seem, when no charge is made for the use of Columbian House, Lisner Auditorium, Strong Hall roof and class rooms—all requiring janitor service—that there should be no discrimination made in the case of the Student Club.

Even if this program would mean hiring an additional manager and a few more janitors, it is difficult to see how or why the University should hesitate to do something about the situation. We have, as yet, no Activities Building. The Student Club should be open not only for the occasional Buff 'n' Blue but every night of the week until at least ten. It could be if the University would take the profit out of the club and run it regardless of the year's gain or loss. There is little or no logic in the University giving the Council money to donate to a University-sponsored concession.

A suggestion has been made that the Student Club be put on a non-profit, non-concession basis, open whenever there was a request. It should be acted upon. In considering this, the Council and the University might well be looking around for a new and larger hangout for the ever-growing student body—a place for dances, a place for a cafeteria, a place for students.

Inside Track On . . .

Jim Bacon

• DISTRIBUTING ballots and counting votes, Jim Bacon will be a familiar face to all as he presides over the coming class elections. As advocate of the Student Council, he supervises the voting for Student Council members, class officers and problems concerning student activities.

Competing with his civic interest is his concern in sports as a member of the Sports Committee and backfield on an interfraternity football team. Participating on the WINX Sports Program last week, Jim spoke in favor of the return of sports. If and when sports are included in the regular athletic curriculum, thanks will be in part due him for his enthusiastic and effective campaigning.

Born in Merion, Pa., Jim attended Montgomery Blair High School in Silver Spring, Md. In his senior year at the University, he is majoring in political science.

Before joining the Marine Corps, Jim attended the University from 1940 to 1943. During that period he was president of Theta Delta Chi Fraternity, social chairman of the Interfraternity Council, manager of Varsity tennis, director of Student Book Exchange, and a member of Gate and Key Society and the Freshman Football Team.

Ten-Minute Break

WITH PHIP . . .

COLLEGE CREDITS . . .

• Since classes began the Veterans' office, the Hatchet, and this column have received complaints about the credits toward advance standing given to the ex-servicemen. The following is only a sample of the feeling evident among many of the Veterans.

Oct. 31, 1945.

Dear Phip:

In your column you requested a program for the Veterans Club and less political wrangling. Now, there is a situation at this University just crying for united action.

While overseas, I read in service papers glowing promises of American educators to aid the servicemen in the swift completion of their educations. When I got back and registered, nothing was said about advanced standing. Desiring to see if all the other colleges were more or less welshing on earlier statements, I repaired to the Library to consult the catalogs of other schools. In the Yale University publication I read, "The average veteran returning to Yale or registering there for the first time will receive credit for having completed one semester's full-time work. In exceptional cases based on the result of special exams, a year's credit (60 semester hours) will be granted." From the University of Minnesota, I received word that my brother had been granted, because of his officer's training and subsequent administrative experience, 28 hours' credit toward his journalism degree. It may not be argued that his Army work was in an allied field. He was a combat engineer officer.

Now the question I wish to ask is why this University is not following the lead of other large American colleges? These schools seem confident that three years' training in the Army or Navy has developed the minds and character of returning students enough to warrant giving them a semester or two of advanced standing, regardless of the specific content of their courses of training.

H. R. HARRISON.

An explanation may help clear the situation. While it has not been fully checked, it is assumed that some colleges do give blanket credits. However, this is not the policy of this University, as stated by Dr. Harold G. Sutton, director of admissions.

A Committee for Admission and Advanced Standing must first pass on the record of each applicant. Credit is then given on the basis of courses, training and experience in the service. As a guide to their policy, the committee follows the recommendations of "The Guide to Evaluation of Education and Experience in the Armed Forces."

This official guide is a three-volume loose-leaf service sponsored by the American Council on Education working with the United States Army Institute. Divided into each training program, the guide makes recommendations for credit taking into consideration the degree sought, the major, and the type of course given by the armed services.

The University committee is headed by Professor Charles W. Cole of the English department. Other members are Professors Florence M. Mears, mathematics; Samuel N. Wrenn, chemistry; Arthur E. Burns, economics, and Carl H. Walther, engineering. Ex-officio members without a vote are Dr. Mitchell Dreese, Dr. Edwin Davis and Dr. Sutton. These are the men who meet weekly in conferences lasting as long as five hours and who decide the fate of each applicant.

To those who are complaining, it is true that credit is not given for all service training and experience, but some credit is given. It is given on the recommendation of an accredited authority. Dissatisfaction is natural, but this is something new to both the colleges and committees. Changes are coming in each day. Pressure will be brought by those who would like to give the Vets a break. For example, in the October issue of the American Bar Journal appears an article on the admission of veterans to the bar. Some states such as New Jersey, Maine, and Tennessee have practically waived the two-year pre-legal requirements for admission to law schools. Standards, however, must be maintained.

If the veterans as a whole feel that something should be done at the University, then that could well be a project for the new officers to contemplate.

VETS MEET . . .

Next meeting for the club has been scheduled for next Thursday evening in Government 102. Committees will be appointed and the program for the year outlined.

To those who have been erroneously termed the author of last week's letter, this column regrets its error. The misnomer "Former Club Officer" should have read "Veteran" and nothing more! Our mistake! Our apologies!

Contestants To Submit Peace Essay

Candidates Select Subject Matter, File With West

• "PROMOTION of Peace Among the Nations of the World" is the subject of the annual Alexander Wilbourne Weddell Essay. Prize of \$150 is awarded to the candidate for a degree who writes the best essay on the subject.

Titles of the essays are to be registered with the Chairman of the Scholarships and Prizes Committee, Dean W. Reed West, in advance. Essays must be filed with the Chairman or the Registrar by April 15, 1946. They must be at least 3,000 words in length and must contain a table of contents, footnotes, and a bibliography.

Contestants are not prohibited from using a class essay as the basis for the paper. The name of the contestant should not appear on the paper but be written on a card, together with the title, enclosed in an envelope and fastened securely to the essay.

Some subjects suggested by the committee, composed of Dean West, Professors James Mordock, John Tillema, and Calvin Linton, are as follows:

How Can the United Nations Organization Develop into a Federal Union? Organization of a System of International Courts, Individual Responsibility for Violations of International Law, Obligatory International Judicial Settlement as a Substitute for Power Politics, Legal Bases for the Punishment of War Criminals, Universal Military Training and World Peace, Development of the English Language as a Basis of International Understanding, Reduction of International Trade Barriers, Elimination of International Double Taxation, Function of International Law in the Conduct of International Relations, International Regulation of International Trade, Coordination of International Commercial Law, The Atomic Discoveries and Their Relation to World Organization, The Bearing of the Trial of the War Guilt on the Development of International Law, The Need of an International Court of Justice—Its Merits and Deficiencies, The Charter of the United Nations and Its Probable Bearing on World Peace, The Liability of National States for Torts and Its Bearing on the Development of International Law, and The Relation of Imperialism to Successful World Organization.

Students, however, are not limited to the suggested topics.

Prize essays shall become the property of the University and shall not be printed or published without the written consent of the University. The University reserves the right to withhold the award if no essay attaining the required degree of excellence is submitted.

Further information may be obtained in the office of the Chairman of the Committee, Room 105, Building "C."

Bronze Star Goes To Son of Dean For Heroic Action

• BY DIRECTION of the President of the United States, the Bronze Star has been posthumously awarded to Capt. Frederick C. Felker, Company K, 110th Infantry, 28th Division, son of Dean and Mrs. Frederick M. Felker. Dr. Felker is dean of the University School of Engineering.

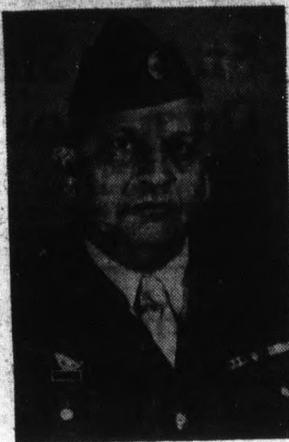

The citation is as follows: "For heroic achievement on 1 August 1944, in connection with military operations against the enemy." The decoration was presented by Brig. Gen. Robert N. Young at the Pentagon Building October 31, and was accepted for the family by a brother, Radarman 2nd Class George C. Felker, USNR.

Captain Felker was inducted as a private in 1941 and was advanced to the rank of captain a year later. On maneuvers in England until two weeks after D-Day, he fought with the 29th Division through several campaigns in France and Belgium, was twice wounded, recommended for the rank of major in the field, and led, as acting major, the 28th Division in its historic march down the Champs Elysee in Paris.

Fighting later in Huertgen Forest, he was taken prisoner in the ill-fated "Battle of the Bulge" on December 21, 1944, and was killed in Germany April 5, 1945.

Psychologists Meet

• WASHINGTON - BALTIMORE branch of the American Psychological Association will hold a meeting in Government 101 tonight at 8:00 p.m.

MAGANLAL K. PANDIT

Hindu Veteran Begins Work At University

By ANN MIBUCK
• STAFF SERGEANT Maganlal K. Pandit, 54-year-old veteran of two world wars and a native of India, has enrolled at the University as a student under the G.I. Bill of Rights.

Sgt. Pandit came to the United States in 1911 to study Engineering. He enlisted in the Army during the first World War and when the United States entered the second World War, he received permission from the Adjutant General's Office to enlist, in spite of being over age.

He was sent to India and spent two years in India and Burma, assigned to the Army Air Corps as an interpreter and instructor in Oriental languages. In his leisure moments, he taught Spanish to Army officers.

Sergeant Pandit is taking courses in Far Eastern Governments, political geography, and international law. He plans to take an active part in the movement for better international relations, and feels that these courses will help him.

Fantastic

(Continued from Page 1)
masters. Bert Awall will portray Dr. Gall, and Tom Lodge, Jr., Mr. Fabry.

Other members of the cast are Larry Strickland, as Mr. Rusman, Nelson Wurz as Dr. Helemier, and Ruth Corder as Nana. Robotesses Shella and Helena are played by Carolee Arnold and Kittigene Rohman. Other robots are Joe Beyda, John Mitchell, Dave Bates, and Clarence Shephard.

"R. U. R." was presented by Cue and Curtain at the Wardman Park Theatre in 1935 under the direction of Harold A. Weinberger.

DID YOU KNOW—

• THAT DEANS Elmer Louis Kayser, W. Reed West and Arthur E. Burns received degrees from the University?

Historian Forecasts New Europe

'The New Europe' Holds Out Promise For United States

• DR. LOWELL RAGATZ, professor of European history, spoke before the West Virginia Federation of Women's Clubs on World Community Day, last Friday. This meeting was held in Martinsburg, W. Va., for the purpose of discussing international problems.

Dr. Ragatz's topic was "The New Europe." He stated that since the war is now over, its effects can be seen more clearly and in better perspective. "It is now evident," he asserted, "that a new Europe is emerging. In the past few years Europe has lost its dominant position economically, politically, and culturally to the United States."

He continued by stating that this country apparently will keep that dominant position for many years to come.

Economically speaking, he continued, Europe is now a creditor continent, and its prospects for recovery are slight. It is socially a group of "have-not" nations with millions living in poverty and starvation. This being the case, there will be a general lowering of living standards and, consequently, a lowering of culture all over the continent.

"Politically, the new Europe has already shown itself to be strongly Leftist. Britain is now a socialist, and France, a communist nation and seems to be gaining footholds in Italy and Germany."

"Beside the new Europe, the United States will appear conservative and even reactionary," stated Dr. Ragatz, "thus leading to future misunderstandings between this country and Europe."

Professors Write Book on Economy

• ASSISTANT DEAN of Government Arthur F. Burns is the co-author of "Government Spending and Economy," a book predicting the future of "war prosperity" in the United States.

Professor Burns and his collaborators, Professor Donald F. Watson and Professor Alfred C. Neal, are all in economic departments. Professor Watson, Chairman of the Economics Department, and Professor Burns are on the University staff, while Professor Neal is on temporary leave from Brown University. Their book appeared under the auspices of the American Council on Public Affairs.

Dr. Burns' other activities include the positions of Head of the Research Division of the Works Progress Administration, economic advisor to John M. Carmody, and Adjunct Professor of Economics at the University.

Photo by Harris & Ewing
W. REED WEST

W. Reed West Outlines Ideas For Congress

• W. REED WEST, professor of political science, appeared before the Joint Committee on the Reorganization of Congress and outlined some very vital ideas pertaining to efforts along the line upon which the committee will formulate its report.

The question of Congressional Reorganization is one that has stirred much heated debate among Democracy-loving citizens everywhere and deserves a niche in the minds of college students, the Democracy-makers of the future.

Professor West, whose wide experience in the field of government makes him a discerning authority in Congressional matters, stated to the committee the following points:

1. Resumption by Congress of initiative in formulation of policy.
2. Return to Congress powers of control over government bureaus in certain of their aspects.

He stated that all the prestige now coming from initiative in legislation has gone to the President who has assumed the status of head of the administration. Congress has been relegated to the position of exercising a veto upon the proposals of the executive, thus reversing the Constitutional position of the President and Congress.

Professor West went on to say that a basic change is taking place in our system of government and unfortunately without clear awareness on the part of the public on what is occurring.

Dean Fox Speaks

• DR. JAMES H. FOX, Dean of the School of Education, has announced the topic of discussion for his regular Wednesday morning class which consists of representatives of various Parent-Teachers Associations. The group will discuss "Parliamentary Procedure" in the handling of meetings.

Today Dr. Fox will speak to the Sunday School teachers of the All Souls Unitarian Church on the subject "How to Teach."

Dr. Wilgus Completes New Book

Hispanic America, Subject of Latest Revised Editions

• DR. ALVA C. WILGUS, professor of Hispanic American history, has announced that he is completely revising his textbook, "Development of Hispanic America," used in his classes, and that his new book, "Reading of Latin America," is now at press. This will be used in connection with textbooks on Hispanic America throughout the country.

Professor Wilgus is also doing work on a high school textbook, "History of the Americas," which could be used in freshman college work.

Upon request of the State Department, Dr. Wilgus is preparing a paper which will be read at the meeting of the Pan American Institute of Geography and History on November 28 in Caracas, Venezuela.

Dr. Wilgus also writes Latin American articles for the Encyclopedia Americana, and holds the positions of assistant editor for Latin America for the Grollier Encyclopedia, published by the Grollier Society, and assistant editor of the Pan America Yearbook, published by Pan America Associates.

During the last week of October, Dr. Wilgus toured six State Teachers' Colleges in New York—Cortland, Oswego, Brockport, Buffalo, Genesee and Fredonia, lecturing on the problem of teaching Latin American history in grade and high schools.

Bar Association Recommends Two For Appointments

• APPOINTMENT was recommended by the Women's Bar Association of the District of Miss Marguerite Rawalt as Associate Judge of the Municipal Court of Appeals, upon the elevation of either of the present associate judges of the Municipal Court, Nathan Clayton or Andrew M. Mood, to chief judge.

The women's association then suggested that one of the judges of the Municipal Court be elevated to the Municipal Court of Appeals and that Mrs. Irene Kennedy should be appointed to the resulting vacancy.

Both women received their degrees from the University. Miss Rawalt, for the past 12 years trial and review attorney in the office of the chief counsel, Bureau of Internal Revenue, is president of the Business and Professional Women's Club here.

She was president of the Federal Bar Association last year, and, prior to that, headed the National Association of Women Lawyers.

Mrs. Kennedy has practiced law for six years as a member of the firm of Roberts and McInnis.

Professor Shepard Takes to Square Dancing, Pet Raising, Canoeing As Outside Interests

English Chairman Born Near Site Of New Hospital

By JEAN FERGUSON

• PROFESSOR ERNEST SHEPARD, Chairman of the English Department, was born in 1899 across Washington Circle from the site of the new University Hospital, and has been in the District most of the time since then.

He attended Washington schools and the Johns Hopkins University, his school career being interrupted for a brief period when in September, 1918, he entered the Army. He received his Master's degree from the University in 1927, and has been here ever since as a member of the faculty.

Mr. Shepard's activities are not those in which one might expect to find an English prof engaged. He is a member of the Washington Canoe Club, and paddled on the team for five years. His team raced from Toronto south along the East Coast, and, as he put it, "won a good many races." (Rumor on campus has it that his team was international champion for a time,

Photo by Allen N. Rubenstein
ERNEST SHEPARD

but Professor Shepard wouldn't commit himself.)

At home he divides his time between caring for animals and

French Poodle, Dachshunds, Cat Form Private Zoo

"keeping the house together." He has a workshop in the basement which he claims is strictly utilitarian, and has no connection with any hobby. As a matter of fact, when queried about his hobbies, Professor Shepard said that his only one is vacationing—which "ain't a bad hobby."

Professor Shepard and his wife, who is, incidentally, librarian at the District Public Library, square-dance frequently at the Dance Playhouse, with which all our Modern Dance students are familiar. (Note to English Majors: Classes in square dancing are held Tuesday—Thursday, at 10 a.m.)

As we mentioned before, some of Professor Shepard's time is devoted to the animal collection which includes at the moment four dachshunds, a French poodle, not fashionably clipped, and a cat. At one time the Shepards had fourteen cats, but that proved a little too

(See PROFESSOR, Page 6)

Committees

(Continued From Page 1)
will be learned this week from preliminary work-outs as to what can be expected in the way of players this year.

The list of eligible players available for the team include: Ted Braham, Brian Donovan, Joe Giovacchini, Bob Harrow, Tom Hurst, Pete Labukas, Chester McCall, Ralph O'Brien, Al Raphaelson, Tom Robertson, Laddie Reichwein, Ronald Richmond, Claude Thompson, and Henry Wingo.

Mr. Myers has stated that a number of former varsity men are expected back by February. These players, coupled with new material not shown on the Sports Committee list, would be expected to furnish a sizeable squad from which to draw.

It is also expected that former coach Otto Zahn would be readily available to work with any team that might be brought forth.

Newcomers Meet

• THE NEWCOMERS' Club, a division of the Faculty Women's Club, held a luncheon last Friday at 1:00 p.m. in the Faculty Club. Full and part-time women teachers and wives of full and part-time teachers at the University make up the club's membership.

Big Sisters To Initiate November 26 In Dorm

• FORMAL INITIATION of Big Sisters will take place on Monday, November 26, at 12 noon in Strong Hall, Barbara Stellwagen, president, announced today.

The new president, presiding at the meeting yesterday, requested all Big Sisters to contact their little sisters, and make "coke" dates with them in order to discuss any problems or questions that they may have.

Following is a list of the names of the Big Sisters and their little sisters.

Little Sister	Big Sister
Alderson, Sarah	Marian Alvord
Ames, Farley	Adrienne Barry
Arnold, Carolee	Pat Garrett
Fabcock, Peggy	Eleanor Erickson
Pachman, Helen	Eugenie Lee
Bagg, Jane	Nancy Gligio
Bailey, Margaret	Dolores Lancaster
Baines, Dorothy	Dorothy Cruger
Balcom, Holdine	Adrienne Parry
Beall, Charlotte	Marilyn Schench
Beck, Mary	Pat Calloway
Benner, Nancy	Sue Burgess
Benson, Louise	Jean Maxwell
Bennett, Betty	Gertrude Chap
Bennett, Rustie	Pat Calloway
Berry, Beverly	Agnes Smith
Berteling, Hilda	Shirley Ann Blair
Blafkin, Bess	Gertrude Chap
Boesch, Ruth	Marjorie Raab
Boltan, Alice	Shirley Clayman
Brandenberger, E.	Dorothy Cruger
Brawner, Scott	Dorothy Davis
Brenneman, Dot	Jane Hurley
Bumgarner, E.	Jean Ferguson
Buser, Elizabeth	Ludean Earnest
Buswell, Joan	Ruth Edge
Calean, Kathy	Vicki Keimig
Callahan, Martha	Dorothy Eggleston
Calvert, Mary	Eleanor Erickson
Cantrell, Jimmy	Bryna Jacobs
Carter, Marilyn	Jean Ferguson
Caskie, George	Joanne Seames
Cassellberry, Janet	Dorothy Davis
Centeno, Riazling	Gertrude McNabb
Chavez, Gloria	Cam Goldsborough
Clark, Elaine	Marian Alvord
Clark, Louise	Pat Garrett
Cline, Betty	Nancy Gligio
Clore, Nona	Jean Paternoster
Cocroft, Phyllis	Cam Goldsborough
Cogswell, Frances	Caroline Tursell
Cohen, Carol	Doris Grady
Coiner, Mildred	Juanita Hall
Collins, Ruth	Dorothy Davis
Compton, Charlotte	Vicki Keimig
Cooke, Mary	Pat Calloway
Cope, Nancy	Juanita Hall
Costello, Mae	Barbara Hanby

(See BIG SISTERS, Page 7)

Religious Notes

By KIPPIE WALLACE

• HOT DOGS AND Cokes will be featured at the weiner roast to be given Saturday by the Canterbury Club and Westminster Foundation. All those attending will meet at Columbian House at 12 noon for the trip to Woodland Beach. A joint meeting of the two organizations was held yesterday in the Presbyterian House at 2008 G St. Cannon Weddel spoke on his latest book "The Coming Great Church."

CHRISTIAN SCIENCE ORGANIZATION

• SUNDAY THE Christian Science Organization will hold its annual fall reception in Columbian House from 4 p.m. to 6 p.m. Dr. Michel Todd, Chairman of the Committee on Publication, will speak on "The Light House on the Campus."

LUTHER CLUB

• ORGANIZATION Meeting of the Luther Club will be held Wednesday in Gov. 202 at 8:15 p.m. The purpose and organization of the club will be discussed. Following this, an election of officers will be held.

WESLEY CLUB

• UNION METHODIST Church was the scene of the Wesley Club meeting Wednesday at 7:30 p.m. The club has set the first and third Wednesdays of each month for their meetings.

Hatchet Staff Meets

• IN ORDER TO GIVE Hatchet reporters more time to concentrate on their stories, Board of Editors announced staff meetings have been changed from Thursday nights to Wednesday nights at 8:00 p.m.

Assignments will be given out at that time and reporters will have an extra day to get information on their stories.

Strong, Staught on Elect Dorm Council Officers

• SUE BERGER, junior, heads the newly elected Strong Hall Council, with assistance from Dorothy Henry, vice-president; Rosemary Glenn, secretary-treasurer; Ruth Minnick, social chairman, and Dorothy Pittinger, assistant social chairman.

Election of floor chairmen

Sorority Hears Dr. Snidaker At Recent Tea

• ALPHA THETA chapter of Pi Lambda Theta, women's education fraternity, was honored in having as guest speaker at their Founder's Day meeting, Saturday, November 3, Dr. Mabel Snidaker, second National vice-president of Pi Lambda Theta.

Dr. Snidaker is Supervisor of Social Studies in the Teacher's Training School of the University of Iowa. Dr. Snidaker spoke on the topic, "Pi Lambda Theta's Outlook on International Education."

Her talk concluded with a discussion of the use of literature in developing tolerance and understanding among peoples of different social and racial backgrounds. She also stressed the use of non-sense literature as a psychological outlet.

At a meeting following the tea it was authorized that the following student guests be invited to membership in the chapter:

Mary B. Kidd, Emma Frances Erwin, Camilla M. Payne, Mary E. Sand, Marian K. Tate, Louise Wyman, and Clara Barnett.

Pi Lambda Theta's next function will be the annual Ruediger lecture, November 29. Dr. Boyd Bade will be the speaker.

took place last Tuesday. Mrs. Blanch C. Patterson, the hostess, nominated three candidates from each floor. In addition to their duties as chairmen, the officers elected automatically form the Dorm Council.

During the Council's first meeting, Mrs. Patterson discussed the duties and responsibilities of each member. Floor chairmen must maintain quietness (after 11 o'clock for upper-classmen and after 9 o'clock for freshmen); collect dorm dues; and assist the girls on any problem which may arise.

The dues collected are used for sending flowers to sick residents and for social events. The Council made plans for a dance to be given sometime in December.

Staughton Hall elections results were Anne Sabo as president; Mary Davis, secretary-treasurer; Jacqueline Weber, social chairman; Jean Tyson, assistant social chairman; Mary Dickey, house chairman; and Barbara Borror, assistant house chairman.

Mrs. Jessie R. Lee, hostess, stated that new rules, regulations and plans for social activities had not yet been formulated but that the Council will announce them after its first meeting.

Plan Buffet Supper

• COLUMBIAN WOMEN, a society that offers membership to wives of members of the faculty, trustees, officers of the University, and recipients of honorary degrees, will hold a Buffet Supper at the Hotel 2400 at 7:00 p.m. on Wednesday, November 14.

Under The AXE

By Janet Evans

• **PRETTY MOLLY EDWARDS**, playing on the Monument Grounds with the touch football teams last Sunday came home with the story of husky Bill Van Sant tackling Warren Clark, who, about to fall on his face, was gathered up under Bill's arm and "toted," like a baby down the field.

For 'nigh onto ten years now Mrs. Gertrude Reaves has been cooking breakfast for the girls of Strong Hall. She first came to the Faculty Club about the time the dorm was built and has become a University institution. This year, with half of Staughton Hall dining at the Club, "Reaves" reports she cooks about 15 dozen eggs every morning. That's about 180 eggs!

Every time I hear that song "Don't Fence Me In" it reminds me of the Apple Polishing Luncheon held by Mortar Board last year for the members of the economics, political science, and history departments. During the program which followed guests were asked for suggestions about songs to sing. Dr. A. Curtis Wilgus, professor of hispanic American history, piped up with "Don't Fence Me In." He turned a beautiful shade of red when asked if that applied to his two pretty neighbors!

President Sue Berger of Strong Hall has, according to rumors circulating about the dorm, the finest collection of pipes in the building. They range in various sizes and shapes. According to Sue she smokes them "for relaxation."

It happens in the best of places note. Five members of Mortar Board almost died laughing after their visit last Friday, to one of the most prominent embassies in the city. The cause was Felicia Miller as she described the frantic antics of the servants in discovering a huge eucaracha strolling unconcernedly among the sandwich plates on the serving table.

Wonder what prompted the Chi Omega's to sit on their front door step and sing Christmas carols last Monday?

In searching through the 1923 volume of the Manila newspaper PHILIPPINES FREE PRESS I discovered huge headlines regarding The George Washington University. The article was about the Philipinensian Club, organized in 1922 by Filipino students at the University under the direction of F. A. Moss, professor of psychology.

Smith, Cole, Bolwell Speak Before Hillel

• **WITH DR. GEORGE Smith**, instructor in psychology, acting as mediator, Dr. Robert W. Bolwell, chairman of the Graduate Council, and Dr. Charles W. Cole, Associate Professor of English, led a discussion on the resolution "The United States Should Adopt Cultural Pluralism" at the Hillel meeting held October 31.

Dr. Bolwell asserted that while cultural pluralism is the ideal state, it is an impossible one to achieve, bearing out his statement with historical facts.

In Dr. Cole's discussion, he declared that regional culturalism was not only a possibility, but showed by example that it was being carried on in this country.

At next Tuesday's meeting, a Memorial Service will be held in commemoration of all Jewish University students who have lost their lives in this war. This service will be conducted by members of Phi Alpha fraternity.

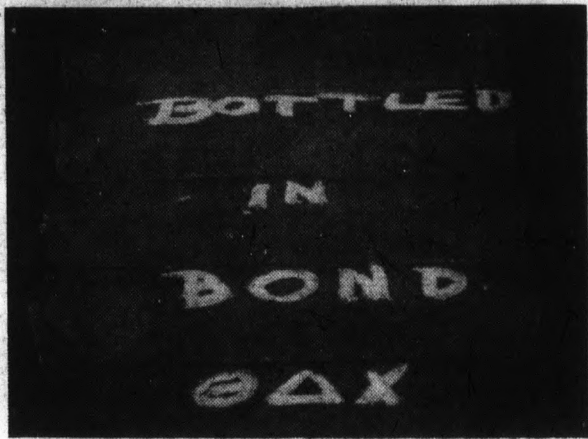

A Youth Rally is being held tonight at the Jewish Community Center. All Jewish youth groups, including Hillel, are invited to participate in the adoption of a resolution that unlimited Jewish immigration should be permitted in Palestine.

First of a series of Sunday Supper Seminars was held last Sunday evening at the home of Vice-President Alfred Albert. Discussions at these informal seminars deal with the problems of Jewish living in a modern world.

Numerous

(Continued From Page 1)
Masque Ball were \$188.50. This was an increase over last year's dance, Joe said.

Anne Peterson, president, requested that letters be sent to the medical, engineering, and law schools inviting their representatives to attend the meetings regularly.

• **HALLOWE'EN** pranksters or fellow Greeks were responsible for the above slogan left at the Theta Delta Chi house.

Greeks, Tongue in Cheek, Seek Hallowe'en Pranksters

• **WITCHES AND HOB-GOBLINS** may have been riding abroad on Wednesday last, but we firmly suspect that the re-decoration of various fraternities around the neighborhood wasn't done by nocturnal spirits.

First evidence to your correspondent (I say with a nasty sneer) came at 1 a.m. on Hallowe'en night, when wending my weary way to my doorstep I took a near-spill in a puddle of paint beautifully dunked on Phi Sigma Kappa's front steps. We had been honored as well with a notice to passers-by that "This Bohemian Fraternity STINKS." The beautiful bronze plaque, long a subject of pride, was rejuvenated in a too positively devastating bluish rose!

Extent of the damage to Theta Delta Chi is rather generally known at this point. The steps leading to the inner sanctum contain for consumption, of various and sundry, the intelligence that the inhabitants of the building are "Bottled in Bond." Gay patches of apple green paint adorned the doorway, and, eventually, the stairs up to and including the second story landing.

Sigma Alpha Epsilon has a permanent reminder to the neighborhood, "plastered on its" walkway, that one of its more aesthetic arias begins with "Violets, Violets!"

Less vandalism occurred at Sigma Chi than elsewhere. (Hmmm!) Other than a couple of smears with the paint brush hither and yon, damage was negligible.

The leading question at the moment is: WHO? And before you get your hammers, lynching ropes, ad inf., out of the closet please be informed that your correspondent learned all this strictly second-hand.

P.S.—Smirk, smirk.

Del Popolo To Screen War Show

Graduate Student Speaks on Victory To Newman Club

• **A. JAMES DELPOPOLO**, recently admitted to the Newman Club, and graduate student in the School of Education, will lecture and show movies about the "Victory Over Germany and Japan" and "War Heroes Come Home," in Hall of Government, Room 101, Wednesday evening, November 14 at 8 p.m.

Mr. DelPopolo, an administrative assistant in the War Department, was principal of the I-Am-An-American School of Citizenship, Buffalo, N. Y., before entering the Government service in Washington. He also is author of several textbooks on United States Government, the most recent of which are "How to Prepare for United States Citizenship" and "Our American Way of Government."

As president of the Friendly Club of Washington, a government employees recreation association, he has been a leader in sponsoring entertainments for Federal employees and servicemen. With this experience in mind Kitty Bauer, president, selected him as Chairman of the Publicity Committee.

For the past three months Mr. DelPopolo has taken up photography as a hobby and will show samples of his work at the meeting next Wednesday.

All Catholic students of the University and their friends are invited to attend, President Bauer concluded.

A short business meeting will follow the movie program.

Barrister Speaks To Legal Sorority

• **PRESIDENT** of the Women's District Bar Association, Mrs. Sara M. Williams, was guest speaker at the regular monthly meeting of the Kappa Beta Pi legal sorority last Friday evening in Stockton Hall.

Choosing as her topic, "Women and the Bar Association," Mrs. Williams discussed the history, ideals, purposes and requirements of the local Women's Bar Association.

Sororities Throw Out Welcome Mat To All Fraternities

• **FOR THE FIRST** time, and perhaps (though it's hoped not) the last, MEN were in the sorority rooms. No Hindu rope-tricks were necessary for them to get there either, since Pan-Hellenic Association had made the fortunate young gentlemen their guests last Sunday from three until seven.

The buzzer system, so carefully observed in the past, was in evidence only to let the guests know when to move on to the next group of damsels. Mass introductions soon gave way to complete informality, with the sorores addressing the fratres as "I'm So&So, who are you?"

Coffee, punch and cider were accompanied by fancy cakes, doughnuts and canapes, and a number of guest who wished not to offend by refusing, were slowly palling by the end of the tour.

Dr. Briggs Resigns As Director

Trustee Culminates
15 Years Service
As Standard Chief

DR. LYMAN J. BRIGGS, recently elected to the Board of Trustees of the University, has retired as Director of the National Bureau of Standards after 15 years of service. The 72-year-old physicist began his work at the bureau at the outbreak of World War I when he was loaned out by executive order to work on special Navy problems.

Before going to the bureau he was at the Department of Agriculture for 21 years, his last position there being in charge of the physical laboratory. His job there began while he was writing his master's thesis and renewing his finances.

At the close of the World War he was asked to stay on at the bureau as chief of the division of mechanics and sound. In 1926 he became assistant director and 7 years later was made director of the bureau.

The honorary degree of Dr. of Science was conferred on him by this University in 1937.

He is Vice Chairman of the National Advisory Committee for Aeronautics, member of the National Academy of Scientists of the governing body of the Federal Fire Council, and life trustee of the National Geographic Society.

He is also an honorary fellow of the Washington Academy of Medicine, Director of Physical Laboratory of the Bureau of Plant Industry, Chairman of the Federal Specification Board, Member of the International Ice Patrol Board, Physical Society of England (honorary), Tau Beta Pi, Sigma Pi Sigma, Cosmos Club, and past president of the Washington Academy of Scientists.

Married to his college sweetheart, his interest centers about his home and his married daughter, grandson in the Navy, granddaughter, and his pet hobby of billiards.

His home is 3208 Newark Street, Cleveland Park, Washington, D. C.

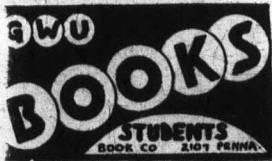

Pharmacy

(Continued from Page 1)
various medicines he offers for sale.

Entering the pharmaceutical profession doesn't necessarily mean that you will work in a drug store, as many people think, he said. The gigantic drug manufacturing industry, the wholesale drug trade, the world-wide collection of drugs from natural sources, and a substantial portion of the chemical industry are included also.

Extensive mailing of the publication to high schools and drug stores is planned, Dean Briggs concluded. Any undergraduates now in the Junior College or any other interested students should apply to the Office of the Dean for further details.

Dean Briggs is scheduled to speak over WINX from 7:00 p.m. to 7:15 p.m. on Saturday, November 10. The subject of his talk will be "For Your Better Health."

'CATERERS TO THE CAMPUS'

IT SEEMS THAT ONCE UPON a time there was a section of our fair city named "Foggy Bottom," and it seems that the founding fathers of our fair university (may they rest in peace) eventually saw fit to choose this lovely site for our four acres. Therefore, a column was named in honor of the shrewd gents that made that weighty decision and, as no one so far has been able to think of a better use for such a clever title, this fine example of the journalists' art is the result.

NEWS FLASH . . . Chi Os getting trampled in the rush attempting to break down the doors of Kann's last Thursday around 11 o'clock, when the doors didn't open until 12:30. The nasty old photographer probably didn't have enough film anyway.

Dottie Simmons, Zeta, married to Lt. Comdr. Charles Cow, Jr. . . Dorothy Davis snags a ring from Malcolm Hodges . . . Theta Deltas pledging Tom Buchanan . . . Marilyn Wherry, KKG, pinned to some handsome Irish Lt. stationed at Belvoir . . . Betty Weethee attending Yale-Dartmouth game, and casually downing the "green cup" at Maury's . . . Dottie Snyder, KKG, looking dejected about affairs in general, Walt Foley's alleged black eye in particular . . . SAEs looking forward to big bar-b-que party at Brother Griswold's Sunday afternoon . . . how do you spell that blank look on the face of Dottie Pittinger, Pi Phi, chug-a-lug-or Bobbie Jones?

Phi Mu, Alice Stevenson spending the weekend in Richmond, Virginia . . . Phi Sigma Sigma really up in the air . . . what with June Stern flying to Norfolk.

Joan Gering to New York and Bonnie Jacobs receiving three radio-grams from Al in Berlin . . . Sigma Chi had a terrific Halloween party Saturday night . . . they'll take their masks off any day now . . . Sigma Kappa, Dottie Simmons having a visitor, Lt. Cook, who flew here from Okinawa . . .

What every young mother should know . . . just because your son is a day student doesn't mean he'll get home every night at 5:30 . . . sometimes he might want that feeling in the moonlight . . . DG, Dev Bissett going to Army-Notre Dame game . . . Sigma Chi, Dodd Greenleaf home on furlough . . . Betty Hollyfield, DZ, with her husband in Boston . . . Annual Phi Mu Alumnae scholarship awards presented to actives Alice Stevenson and Janet Abbe . . . Chi O, Ann Almsworth happy now that George Bussey, SAE, is home on leave . . . Diana Roosevelt looking flustered over phone call . . . "what should I do now?" . . . In case anyone is interested . . . there are only 42 more shopping days until Christmas . . . Phi Sigma Sigma, Joan Weinberg planning to view Navy-Michigan game . . . Ginni Jones, very proud of her new fall hat that her Captain sent her from Paris.

Fraternity houses really took a beating on Halloween. Every house got a paint bath and all got new nicknames. The Phi Sigs came out with "Bohemian Stinkers," you can just call the Sigma Chis, the "Halo Boys," the SAEs are newly dubbed "Violets" and Theta Deltas are "Bottled in Bond" . . . which one do YOU think is most apropos? . . . Delta Zeta held their pledge formal at the Wardman Park, Saturday night . . . among those present were former prexy Caroline Lyons, Peggy James Calvert and her new husband Gordon Calvert, PIKA, Peggy Jane Switzer and her husband, Beryl Conklin Kester . . . Cliff Carlstedt, Phi Sig, admitted to bar of the U. S. Supreme Court . . . Isabelle Knowles, Delta Gamma, weekending in Hanover, Penn. . . Joe Macauli, Sigma Chi, discharged from AAF . . . Maisie Oliver, Darhl Foreman, and Mary Bagby, Zeta, visiting the sub commanded by Mary's brother on Navy Day . . . Theta Deltas initiating Tom Henesy who leaves for the army today . . . Delta Gamma pledge class electing officers . . . Diggy Rogers, Dorothy Storck, Tina Mallorin and Helen Osborn . . . SAE Brother Caldwell now in house and affiliating in February . . . Chi Os new pledge class officers: Ann Gary, Betty Shultz, Betty Bennett, and Helen Sounders . . . Congrats to Jeff Abercrombie, Phi Sig, for his part in "Merry Widow" put on by Columbia Light Opera Company . . . Officers of DZ pledge class . . . Olga Havell, Fortia Knott, Dot Breneman, Dee Holmes, Anne Shears and Pam Smith . . . Chi Os having get together at Trade Winds in honor of Faye Griffith's return from Calcutta, India . . . SAEs Windy in honor of Faye Griffith's return from Calcutta, India . . . SAEs pledge class officers . . . Kent Keebler, Jack Cotton, Dick Sterling, and John Barbour . . . Walt Foley, Phi Sig, featured in the Washington Star's "Heroes of the Washington Area" . . . Chi O's Jean Kopplaky Haskell and Betty Owens leaving for New York . . . Mrs. Brown having a kitchen shower for Olive Miller last Tuesday.

Phi Delta Delta Honors Members

NEWLY ELECTED officers and Initiates of the Phi Delta Delta legal sorority were honored at a cocktail party at the LaSalle Apartments last Thursday evening.

Officers elected were Lou Nora Spiller, president; Elsa Dik, vice-president; Anne Peterson, secretary; Muriel Mack, chancellor; and Martha Snyder, chaplain.

During the business meeting, plans were discussed for the Province Convention to be held November 17 and 18 at Hershey, Pennsylvania. President Spiller was chosen as the delegate.

Professor

(Continued from Page 3)

feeling. None of the dogs has ever been shown, but most of them are eligible. They're all good watch dogs, although the poodle's occasional delusion that he is a bird dog sometimes leads to complications.

When asked if his activities include reading, as would seem natural for an English professor, Mr. Shepard replied that he is too swamped with the placement tests which litter his office. (Why doesn't someone give us an excuse like that?)

Judging from his lectures, however, he must have read at one time or another, and in pretty large quantity.

BLANCHE C. PATTERSON

Mrs. Patterson Counselor, Nurse, Is Mother to All

By JOYCE GLUCK

IF YOU SHOULD happen to be at Strong Hall at any time during the day, you no doubt will catch a glimpse of an attractive woman carrying a tray to a sick student; giving an eager girl permission to go to a house party, or dispensing friendly encouragement about her exams to a nervous freshman.

Mrs. Blanche C. Patterson, who has had years of experience as a house mother, loves her work as hostess of Strong Hall. She spent two years at Penn Hall in Chambersburg, two at the Ogontz School near Philadelphia, and 14 years at Carnegie Institute of Technology. Always ready to lend a sympathetic ear to any student, Mrs. Pat, as she is affectionately called, is a combination counselor, nurse, mother, and friend to the girls in Strong Hall.

Her room is crowded with girls asking for advice or assistance, from what to do with an extra date who inconsiderately turned up, to where to buy drapes and bedspreads for her room.

"Mrs. Patterson, do you know what happened to me?" asks one girl.

"No dear, tell me," Mrs. Pat replies, with concern. She smiles as she is informed that one of her girls ACTUALLY passed an examination in botany. She has been known to help girls alter evening gowns for a last-minute party, to care for her charges when they have colds, and generally to be an encouraging and kindly arbiter.

Mrs. Patterson said smilingly she had no children of her own, but that she has been mothering other people's children for 20 years. "The girls of Strong Hall make up the largest family I've ever had," she added.

Campaigns

(Continued from Page 1)

retary-treasurer are Louise Bender and Dorothy Snyder.

It has been announced that campaign expenditures must be paid by the candidates themselves and are limited to five dollars per candidate.

When voting takes place, November 12 and 13, in the Student Club, there must be no electioneering within 20 feet of the polls. Students are to vote by their scholastic rating, not their social rating. They are to vote only for the candidates of their particular class. Activity cards must be presented by students in order for them to be eligible for voting.

Legal Frat Honorary Taps Clark

Illinois Governor
Praises Youthful
Attorney General

ATTORNEY GENERAL Tom C. Clark was honored by Phi Alpha Delta law fraternity at a dinner at the Mayflower Hotel on November 3 upon his induction as an honorary member of the Taney Chapter of the State of Texas.

Among the 200 present were the following from the Jay Chapter of the University:

John C. Baron, Oren G. Burber, Ellis Champlin, Edmund Gass, Robert Irish, Theodore Mallyck, John Martin, William McKinnon, Phillip Pear, John Ritchie, Professor Hector G. Spaulding, R. L. Wiggins.

Justice Joseph A. Carey of the Washington alumnae chapter presided at the dinner and cocktail party. The induction ceremony was conducted by Supreme Justice Harry Brum of Georgetown, Supreme Vice-Justice William O'Shea, and Secretary Frank Ludwick.

The address was by the Honorable Dwight H. Green, Governor of Illinois who, introducing the youthful cabinet member, declared, "By his actions he already has shown that he will go down in history as one of the greatest and strongest Attorney Generals of the United States."

Attorney General Clark in his brief extemporaneous talk, commented jokingly, "If I could do all the things Governor Green said I could, I'd take the place of Superman in the comic strip."

Minister Brennan Talks to Honorary About Economics

SIX MEMBERS of Mortar Board attended a meeting sponsored by the Washington Alumnae Association at the British Embassy on Friday, November 2.

Lord and Lady Halifax were presented to the group by President Leslie of the Washington Alumnae chapter. Robert Brennan, Minister from Ireland, spoke on British-American economic relations, followed by a period of questions. Refreshments were served at the close of the discussion.

Local members attending were Margaret Lynn, president; Elaine Smith, Janet Evans, Agnes Smith, Elizabeth Wells, and Felicia Miller.

Margaret Lynn, president of the local chapter, announced that Mortar Board, Senior Women's Honorary, will hold a meeting in Columbian House today at 4:00 p.m.

Members of Mortar Board, chosen for their scholarship and leadership in campus life are Margaret Lynn, Felicia Miller, Jane Lingo, Anne Thaler, Janet Evans, Elaine Smith, Agnes Smith, Dorothy Snyder and Elizabeth Wells.

Veterans Meet

A MEETING OF the Veterans' Club will be held Thursday, Nov. 16, in room 102 of the Hall of Government at 8:30. President Bill Long announces.

Jugglings by Jughead

• **AFTER FOUR WEEKS** of play, the race for the intermural touch football championship has narrowed down to three teams. Holding down the number one spot are the Veterans' Club and the Theta Delta Chi fraternity, deadlocked by virtue of their three wins and no losses. Closely behind are the Sigma Chi's, suffering only one setback and this one at the hands of the Veterans. In a tie for third place are the SAE and the Phi Sigma Kappa, with one win and two losses. The Colonials and the Medics hold down the unenviable spot at the bottom.

With only three teams in the running for the gonfalon, let's take a look at the past records to see which one stacks up as the probable winner.

On paper, both offensively and defensively the Theta Dels look like the team slated to win. With back Chuck Wallack leading the scoring parade with 30 points, the Theta Dels have amassed 51 points in three games while holding their opponents scoreless.

The Veterans' Club, possessing a passing as well as a running attack, have run up 39 points, limiting their opponents to only 7. Johnson, Vet runner, trails Wallack in the scoring contest with 24 points to his credit. Lanky Lad Reichwein, pass-snagger deluxe, has scored 12 points.

The other member of the Big Three, the Sigma Chi, lead by end Tom Rixey with three touchdowns, and Barry Barnes, fleet halfback, with two, have outscored their opponents 37 points to 12.

According to the dope, it looks like the Theta Dels, Veterans' Club and Sigma Chi in 1-2-3 order. However, there are several fallacies in this line of thought. The Theta Dels in running up their large total have played only the weaker teams in the loop. Twenty-seven of their points were scored against the weak sister of the league, the SAE's.

On the other hand, the Vets and the Sig Chi's have locked horns. The seven points marring the Vets' defensive record were made by the Sigs, while the 12 points against them were scored by the Vets.

So, after this brief resume, pick your winner. We'll string along with the Veterans.

• **FOUND ON THE** Bulletin Board in the Law School was the following letter addressed to the legal fraternities, namely the Delta Theta Phi and the Phi Delta Phi's. Looks like our boys with the gift of gab have confidence in their brawn as well as in their brains—any takers? ? ? ?

Phi Alpha Delta law fraternity, Jay chapter, exceedingly regrets that there were no takers on its challenge extended to any other law fraternity of the University to meet upon the ball diamond that Phi Alpha Delta might prove its championship ability in softball. However, Phi Alpha Delta hereby announces it can and will put onto any appropriate gridiron a team to play against any eleven that any other law fraternity of the University may choose to put in the field from its eligible members, the game being touch football. Any red-blooded law fraternity interested contact the Vice Justice of the Phi Alpha Delta Legal Fraternity, John C. Bacon.

Phi Alpha Delta Legal Fraternity.
By its Vice Justice,
JOHN C. BACON.

• **BITS OF THIS AND THAT**—Basketball practice opening at the gym. Eighteen men reporting for the first session, with seven or eight looking like varsity material. Frank Seno and John Konizewski, former Colonials and now Cardinal and Redskin, respectively, pitted together in last Sunday's set-to at Griffith Stadium. Walsh, former football coach and now prominent D. C. lawyer, new president of Touchdown Club. Rumors spreading that big plans will be made when President Marvin and Max Farrington get together. Belated vote of thanks to Colonel Storck and Jim Pixlee for their talks in behalf of athletics at the Sports Rally. Also to WINX Sports Announcer Bob Wolff for his interest in the campaign.

• **BOB WOLFF**, WINX Sportscaster, fires questions concerning the sports situation at students Anne Peterson, Laddie Reichwein, Jim Bacon and Jean Jones.

W.A.A. Chooses Participants For Hood Sports Day

• **SPORTS DAY AT** Hood College, Frederick, Maryland, is November 10, and the Women's Athletic Association is engaged in choosing teams and making final arrangements. Capital Transit Company will furnish bus transportation for forty people while the remainder of the sixty-six participants will travel by automobile.

This year, competition will be greater than it has been in previous years because Wilson College, Chambersburg, Pennsylvania, and Goucher College in Baltimore will participate, making a total of four colleges actively participating.

The University will be represented at the meet by the following teams:

- 1—One Hockey Team.
- 2—Two Soccer Teams.
- 3—Six Tennis Players.
- 4—Three Riders.
- 5—Three substitutes for each Hockey and Soccer Team.

At 12:10 on Saturday, November 10, the bus will leave from Building H. All active participants are invited to stay for dinner at Hood College Dining Hall as they have in years past.

Sigs Beat Phi Sigs 18 to 0

Other Game See Colonials Lose To Theta Delta Chis

• **STRENGTHENING** their hold on second place, the Sigma Chi trounced the Phi Sigma Kappas, 18-0, while the Theta Delta Chis overpowered the Colonials, 14 to 0. On the second play of the game, Tom Rixey, Sig Chi, broke into the clear and galloped 78 yards for the initial score of the game.

With only five seconds remaining in the first half, "Slinging" Bill Brownrigg faded and threw a short aerial to Barnes in the end zone for the Sig Chi's second score.

Early in the third period, the Sigs moved swiftly to their third score, with Barnes carrying the ball 55 yards behind good downfield blocking for the touchdown.

Walt Foley and Schuyler Ferris turned in creditable performances for the losers.

In the second game, the Theta Delta Chis had little trouble with the Colonials, defeating them 14-0. Playing on even terms for a quarter, the Theta Dels began to click. A pass from Giovachinni to Grail Dawson netted 6 points.

In the third quarter, Chuck Wallack added to his impressive number of touchdowns by racing 60 yards for the marker. Bill Streiter converted for the second extra point.

Again, the Theta Dels' defense was near-perfect, permitting the Colonials only one trek into their territory. Frank Ward's passing was the only bright note in the game for the Colonials.

Wanted: Males

• **SEVEN** six-foot six-inch giants who have had at least three years' previous experience in basketball at either Long Island University or Oklahoma A&M. Apply in person with letters of recommendation, shoes and shorts.

All kidding aside, will any male student (over four feet tall) who knows what a basketball looks like, please make a point of showing up at the gym tonight and tomorrow night between the hours of 4:30 and 7 p. m. for practice.

Remember, IT'S NOW OR NEVER, if we are going to return to sports this year. What you do in practice these two nights will largely determine what sort of team we can put in inter-collegiate competition this winter.
